Pride

New Westminster

Has many supporters who contribute in many ways, ranging from financial support to provision of services or donation of products, media or advertising support and much more. Royal City Pride is a driving force behind the trend of acceptance towards gay, lesbian, bisexual, transgender & queer individuals in our community.

We are Progressive

Mainstream attitudes towards gays, lesbians, bisexuals, transgender, queer and other sexual minorities are advancing quickly. Sponsoring Royal City Pride puts you in a leadership role as bringing about positive social change.

It's Important

Royal City Pride is more than an annual party - it's a cultural and charitable event our community cares deeply about. When you sponsor the New Westminster Pride Festival, our community notices.

It's a Great Marketing Opportunity

The GLBTQ community is a valuable demographic, and we provide an effective way of reaching that demographic with your message, product or service. Royal City Pride is your chance to market to us all.
